When I told my mom I was sexually active, she was very understanding. She was also quite happy that I waited until I was eighteen and not pregnant. She had told me about the birds and bees when I was fourteen, but I knew pretty much everything by then. But one thing she did not touch on is anal sex. All the guys want to put it in there and I've been reluctant. I know a few of my girlfriends have done it, so I have to do more research with them before I give up the booty.

Sweet and sassy and a good girl at heart, Kaci is looking for the right man to help bring out the freak in her. Could that be you?

I just turned nineteen and decided to increase my sexual activity. Unfortunately I have always been pretty hairy down there, I decided to trim it down. I tried shaving it all off once before but the stubble after a few days did not make it worthwhile for me. But a close trim is just prefect and the visitors down there can see that I'm a real redhead!

party on
guys and girls

I was at the nearby frat's first house party of the school year. Frat boys holding red plastic cups full of kegged beer were everywhere, and everyone was having a good time. Towards the middle of the party and after a few brews myself, it started happening again. My pussy was telling me it wanted a man. I pictured him licking my pussy. Thinking about it gave me chills so I excused myself from my group of girlfriends to find one, and I did. He was on the couch talking to another girl.

I just couldn't go over there and disrupt them. I don't think either one would like it so I decided to text him instead. I went back to my girl group and one had his number. I went back to the couch-bound couple and sent him one. Within a few minutes he pulled out his phone and looked up and found me. Our eyes met and I mouthed to him that I needed him. He turned over to the girl and said something to her which gave him permission to leave. He walked over to me and pulled me away from the couch. I whispered in his ear that I wanted him now and would not take no for an answer. In order to make it more enticing, I added that it wouldn't take very long and he would really like it. Then he could go back to that girl. I grabbed his balls through his pants just to remind him how serious I was. He let out a deep moan. I let go. I didn't want the whole fucking party to see us with my hands in his pants!

We needed somewhere to be alone. I grabbed his hand and we wandered throughout the frat's mansion. True to form, all the bedroom doors were locked. I kicked the door of the last bedroom to no avail. He grabbed my waist and pulled me close and nibbled my ear before sucking and kissing my neck. I moaned. His right hand left my waist and worked its way down my dress. He touched my thigh before running his hand up to my pussy and began teasing it. Soon I realized we were in the middle of the hallway and that anyone could see us. I broke off from his kisses and told him to follow me. Finally we found a bathroom. I took off my heels and pulled him into the biggest stall I could find and locked the door, looked him right in the eyes and smiled. He kissed me passionately and during the kiss he unzipped my dress and it fell to the floor. I unfastened his belt and pushed it down to his knees. Then he broke off the kiss and picked up one of my legs by the thigh and touched my pussy with the other.

We continued kissing and he slowly put my thigh down after exploring my sex so I could stand. He took his shirt off and I kissed his chest down to his abs. Just as I put my hands on his underwear he backed off and got on his knees as he gently pushed me down so I could lie on my back. Then he crawled between my legs and pulled my lacy panties aside to reveal my wet pussy. As he licked my clit slowly, I let out a gasp then a moan. He looked up at me as his mouth engulfed my mons and his tongue found my clit. I couldn't help but close my eyes and wait for him to do something more. I

opened my eyes and looked down to see his head get lost between my legs. My back arched in satisfaction as he slid three fingers in my pussy. I grabbed my boobs and watched his fingers slide in out of my pussy. His mouth and tongue licked my wet pussy clean. My hips bucked up and down and my juices flowed on his fingers. He pulled his fingers out and sucked all my juices off. He picked me up and pinned me against the cold bathroom wall. He leaned in and kissed me then surprised me when his dick rammed into my pussy hard and fast. In and out in and out. I moaned loudly and placed my hand on my clit and rubbed it in circles while he was still fucking me. Suddenly, he stopped fucking me and turned me around. My back is now facing him. He runs his hands up and down my body and slaps my ass again. He shoved his dick into my wet pussy; his balls continued hitting my pussy for awhile.

I felt my body tense up and a sensation ran throughout my body. My knees were giving in again and I couldn't even keep the rhythm of his fuck. I was going to cum any second now. His arms wrapped around me and rubbed my pussy around in circles until I was a melted bowl of ice cream. I slid down on the tile floor where my orgasm subsided. When my eyes opened I found him on top of me. I stroked his rock hard cock, then I squeezed it hard. I pushed him off from being on top of me and got on all fours and crawled over to him. I took his cock in my mouth and tasted my juices on his dick.

I teased his hard on by swirling my tongue around the head. Then I stroked it hard and fast, the way every guy likes it. His eyes shut, his head tilted back and I felt his cock tense up. I gave it one last hard squeeze and as I let go, his cum squirted out fast and thick.

I laid on my back beside him and played with myself. I grabbed my boobs and inserted two fingers in my pussy. I rubbed my clit in circles and moaned as my feet started to curl. He watched me masturbate and my body froze with the echoes of my moans from my orgasm filling the bathroom. And, apparently, the hallway and the entire frat house.

I looked up and there must have been twenty people straining to get a look into the stall and applauding. I grabbed at my clothes but they had taken them and left me completely naked. I recovered quickly and tried to make the most of it by yelling "Next!"

read on
scarlet

Scarlet and Natalie have known each other since forever, and know each others' likes and dislikes. One thing they shared together was the love of fashion magazines. Natalie's mother subscribed to a lot of them and Natalie, out of curiosity, would take her favorite magazine to share with Scarlet. They especially liked the articles on sex and stories of romance and infidelity that permeated the issues. The readings always made them feel different. The sensation they felt that came from within made them wet their panties.

The beginning of the article was the same as most others they encountered. It started off with royalty, the parents setting a prince and woman up against their will, and sexual tensions leading up to the climax. As Natalie read aloud, a section with a princess thinking playfully about her prince came about. "This could get interesting." said Natalie. Scarlet continued listening to the tempting read. Natalie kept on and read through the intimate section. Scarlet felt the sensation fill her again and her labia moistened. The lining of her cotton panties started to absorb her wetness, which made Scarlet quite uncomfortable.

The details in the woman in the magazine masturbating made Scarlet even hornier. "I have to go. I'm not feeling too good." she said. Natalie gave her a suspicious

look, but allowed her the benefit of the doubt for actually being sick. Scarlet and she were best friends, and figured she'd never lie about something like that.

As Scarlet furthered the charade of her sudden 'illness', Natalie gave her the magazine. Scarlet looked up with surprise, and Natalie jokingly replied, "To pass the time." Scarlet said her goodbye and acted as if she was still in pain until she reached her house across the street. She could barely wait to try the relief method the princess performed in the story. When entering inside, she saw her mom preparing dinner. Scarlet walked up the stairs and shut the door to her bedroom. She opened the magazine and found the right story and started off where Natalie left off.

She sensed more scenes like the previous nature were coming up, and Scarlet could tell. As she began a new one she decided it was the perfect time for action. She worked her right hand down her tight skinny jeans, and rubbed the soaked panties above her pink flesh. It didn't feel like much, but it was a start she thought, continuing with her probe. She felt her nub near her opening and she rubbed it to give her pleasure.

She pulled out her hand and put down the magazine. Then she pulled off her panties and jeans. She picked up the book and read on about the sexual acts taking place. Again feeling a great deal of horniness, she put her hand in between her pussy's folds, and spread her legs for easier access. She found and rubbed her sweet spots and rubbed all over for the release to happen. Scarlet put a finger in her tight hole and felt more of the lubricants she produced inside.

She brought her finger back up and decided to ravish the nub that gave her tingling all over. The intensity in her body quickly escalated and she had to put the magazine down. She took her free hand and used two fingers to give a better rub of her sweet spot.

Scarlet's other finger traced circles around her clit which built a fire up inside her. She felt a greater force build up and without warning she moaned out loud. She could feel her heart start to pound inside her chest as she thought about the naughty texts she encountered.

She was rubbing harder and faster on her clit, abusing it. By instinct Scarlet knew this was part of what she was doing, but the feelings she gave herself overwhelmed her. She held her breath and kept rubbing. All of a sudden a mass amount of wetness succumbed between her legs. She rubbed faster and faster. The feelings too much she started lifting her ass off the bed. A sensual feel within her spread throughout her whole body and Scarlet felt the wave of her orgasm come on. She continued with her hands faster and felt the build up of pleasure radiate through her whole being.

Scarlet was in a state of bliss as the orgasm took control of her body. A sheer of sweat coated her. Her clit contracting from the welcoming touch of her fingers. Scarlet soon felt her orgasm die off, and crashed back on the bed. She was tired and still out of breath from the experience. She lay there, and replayed the marvelous moment over and over. She then drifted to sleep happily dreaming about her imaginary prince.

As you can see this is my birthday. Actually it was two days ago, but that was Thursday and now it's Saturday and it's time for my birthday present. My boyfriend has been out of town for a few months and will be for another few so he asked his best friend to come over and give me my present. At first I was against it, even though I have wanted to fuck his friend, but I gave in and after hours of Skyping with my boyfriend, I decided to accept his gift.

I love living in Los Angeles. The weather, the traffic (yes, I kinda like the traffic), and the boys. There were a lot of cute boys in high school, but when I went to UCLA, the number increased exponentially. I have my pick of them, and being a true blonde, they're beating a path to my pussy. And I welcome them in as often as I can. I like all types because they all bring something new to the bedroom. One group I haven't done yet, but I'm really anxious to, are some nerdy guys. If they're out there looking for a cute blonde, find me on campus.

Sex is something beautiful and special, it should be shared only with the one you love. Then the next one you love, and then the next one you love.

Hello sex mag fans. If you're looking for some hot sex in this magazine then look no further. I'm sure you've enjoyed all the young, pretty girls on these pages, but I'm going to do something new, for me. I'm going to have a three-way with two hung guys just so you can get off. I love sucking cock and having big dicks inside me, and if there is a camera there to capture it, that's even more exciting. Enjoy!

megan

The freakiest thing I've done is a threesome and it was a whole lotta fun, and you get to see it when you turn the pages.

teen-age wet dreamers

Youth is not wasted on the young when it cums to sex.

Cassidy and I would spend a lot of time talking about dating and sex. We have been good friends and neighbors since the third grade, and there was little was didn't talk about. We'd escape to the solace of her house's basement and spend hours doing our homework and then talking about all the other kids in school. Now it's the summer after our graduation and there is a lot of time to kill. When we exhausted ragging on our past classmates, we'd turn back to sex. Cassidy said she had never done anything. I had been with her friend Maria who had been around a little and was reputed to give the best blow jobs in school. While I still had nothing to compare her to, I didn't complain.

So, Cassidy constantly asked me about it. What was it like and how did it feel, and stuff like that. I didn't mind talking about it because it kind of turned me on to see Cassidy staring at me, obviously as interested and aroused as I was. The problem was that having sex with Maria had kind of created a stigma. Even though she was Cassidy's friend, Cassidy didn't want to be with anyone that had been with Maria. Well, I wasn't willing to give up just yet. I'd tell Cassidy that it was good but that I didn't really like Maria that much and I was sure it would be better with someone I cared about. Lying, I told her I wished the first person I'd done it with had been someone I knew really well and was comfortable with. She nodded a lot, like this made sense to her. I also told her how I wished Maria hadn't told everyone like she did. She nodded and said she would like to keep her sex life quiet. We sat there and continued to stare hungrily at each other between the words.

Cassidy said she didn't want to get pregnant or worry about disease. I agreed whole heartily saying that I had used a condom with Maria but that if I knew a girl was clean I would really like to have it without one and just pull out because I wanted to know what it felt like. Cassidy frowned a little and I quickly stated that of course I would be willing to wear a condom, bare back was just something I wanted to try. She smiled and moved a little closer to me.

It was now approaching dinner time and we thought it best that we break for dinner. I ran home and had a hurried meal and then ran and showered up and shaved and brushed my teeth. I was back over to Cassidy's house within an hour. She also had finished eating and had changed into some

I reached behind her and cupped her ass, pulling her closer to me. My pants were still around my ankles and my cock pressed firmly against her belly.

comfy clothes. She had on some shorty pajama bottoms and a little cotton tee. I could see she wasn't wearing a bra and was delighted by the implication. Cassidy told me that she had fixed up the basement and couldn't wait to get me down there. I couldn't wait either. My pants were beginning to bulge and without relief, my cock was going to punch a hole through my pants. As we went down the stairs I looked at Cassidy's ass and it looked like maybe she wasn't wearing any panties. I felt my dick growing hard as I followed her down the stairs, imagining what we might be about to do.

The basement was not finished and nothing special to look at either, but Cassidy had put an old futon down in the corner and covered it with a clean blanket. Next to it there was a lamp covered by a scarf to give off a dim light. Cassidy sat on the futon in front of me and asked me if she could see "it". I fumbled eagerly with my jeans and she helped me pull them down so my cock sprang out and pointed right to her face. She stared at it and I could see she was excited. She hesitantly reached out to touch and examine it.

Cassidy seemed mesmerized by it and she pulled on it lightly for a few minutes. I could see her nipples getting hard through her shirt and she was unconsciously rubbing her thighs together. My cock was rock hard at this and she seemed to love it. I pulled her up and hugged her to me. I looked into her eyes and kissed her. She had never kissed anyone and I had only kissed Maria but it was still one of the best kisses I've ever had. We moved our tongues around each other's mouths and I rubbed my hands up and down her back inside her shirt. We broke off and decided to remove our shirts. Her breasts were beautiful. Quite firm and they pointed straight forward capped by small pink areola and hard little nipples. I cupped them both and rubbed them in a clockwise manner. She seemed to like this and kissed me deeply as I did. I pulled her to me again so I could feel her boobs on my chest. I reached behind her and cupped her ass, pulling her closer to me. My pants were still around my ankles and my cock pressed firmly against her belly. Only the thin fabric of her pajamas separated me from the pussy I had been dreaming about for ten years now.

She let me reach under the waist band of her pjs and cupped her bare ass as we ground together, lips still locked tightly. I was afraid I was going to cum prematurely so I laid Cassidy down on the futon and after kicking my own pants off, helped her remove her bottoms. Wow! Her pussy looked so good. Just a small triangle of dark hair that seemed to thin around the lips of her pussy. I could see it was swollen and moisture was visible around her slit. I told her I wanted to taste her. I was amazed at her pussy as I dove in. I could smell her sweet aroma and as I ran my tongue lightly up her slit, I could taste her mild kind of creamy saltiness. Cassidy moaned and I began to kiss her all around the inside of her thighs and around her pussy. I ran my tongue along her slit, each time forcing it in a

little further. I could feel her inner lips on my tongue and her tiny clit at the top. She shivered each time I hit her clit. Soon I was focused primarily on her clit and every ten flicks or so I would plunge my tongue as deep in her pussy as I could. Cassidy loved this and her hips would buck wildly in my face when I pushed my tongue in. Just as my mouth was really getting tired, I sensed Cassidy's body tensing up. She was about to have an orgasm and I picked up the pace. Flicking as fast as I could, I rubbed her belly with one hand and her pubic mound with the other. Her hips started bucking again and her breathing quickened.

After a few more licks and tongue thrusts, she shuddered and relaxed. I felt just a small amount of warm liquid spill out of her pussy. I laid next to her and grinned. I ran my hands around her sexy body and stared at her face. I ran my left hand down to her pussy and slid my middle finger along her slit. I did this for a few minutes as we kissed. At some point she must have decided she was ready for me, because she turned into me and I pulled her body against mine. My cock was still hard, never having gone down. I rolled on top of Cassidy and got her legs apart. We were looking deeply into each other's eyes as I pressed the head of my cock against the gates of her, and soon to be, my pleasure.

> *I felt just a small amount of warm liquid spill out of her pussy. I laid next to her and grinned.*

I wanted this moment to last forever as I slid it into her wet pussy. Cassidy shivered and I let out a few moans of my own as I buried myself to the hilt. Slowly at first, I slid in and out of her slick honey pot. She felt amazing and I felt my balls and abdomen tightening within the first minute. I realized I didn't have a condom on and said something. Cassidy said she knew and had decided she wanted to give me something special. I smiled and thrust harder into her. Cassidy raised her hips to meet me each time I thrust into her. I pulled her legs up over my shoulders and started ramming into her even harder. She moaned and the futon was creaking pretty loudly but I didn't care. I slammed into her with all my might and my dick started spasming uncontrollably. Cassidy's body was shaking as I pulled out and shot a huge load across her belly and up to her boobs. Oh, my god, it was the greatest feeling I'd had in my young life.

We laid there for a few minutes caressing each other's bodies and talking about little things we had liked. I felt my dick getting hard again and was thinking of what I'd like to do next when I saw a little movement out of the corner of my eye. I turned into Cassidy and gave her a kiss. As I did this I could see over her shoulder and there was someone in the dark at the foot of the stairs kind of peeking around the partition at us. I grabbed Cassidy's hair and pulled her off my dick as I bent over for a long kiss.

It was now approaching midnight and Cassidy and I were cleaned up ready to go. I followed that nice ass up the stairs and to the kitchen. We kissed one last time for the evening and I promised I would be back tomorrow night. The taste of her lingered with me all the way home and into the next morning.

I'll go as far as it takes to please a man.
I'm open to trying anything if I really like him.

I've always been a big tease growing up, and now I'm a big cock teaser. But what I've learned is that you can't tease them without pleasing them. So now I tease and follow through and I find the guys get even more excited when I tease them first. Over the upcoming years, I'm going to work on my technique so I can do it throughout my life!

Yes, I want it all day and all night, but since I work during the week, I like to keep my weekends free. So, I'll grab a man or woman and we'll sequester away in a hotel room for the weekend and never come out. If they agree to come with me, I only have one rule. No clothes on for forty-eight hours. No one has yet refused me.
